SCHEDULED CONSTRUCTION AND MAINTENANCE WORK ***CULPEPER DISTRICT: Dec 14-18, 2009***

CULPEPER — The following highway work is scheduled, weather permitting, in the Culpeper District during the upcoming week. Traffic movements may be restricted and speed limits reduced in work zones. *Items in italics contain new or updated information.*

Albemarle County

Route 708 (Dry Bridge Road) - Roadway closure for pipe replacement from Route 787 to Route 637. Motorists should expect signs advising of lane closures, detours and traffic pattern changes as they approach the work zone and be alert for equipment and workers moving in and out of the work zone.

Route 743 – Advance Mills bridge. Closed at South Fork Rivanna River for replacement of the truss bridge. Detour route is posted.

Route 616 bridge on Black Cat Road – Bridge weight limit reduced to 3 tons. Motorist should expect signs advising of lane closures, detours and traffic pattern as they approach the work zone and be alert for equipment and workers moving in and out of the work zone.

Route 795 bridge over Hardware River – Bridge weight limit reduced to 3 tons. Motorist should expect signs advising of lane closures, detours and traffic pattern as they approach the work zone and be alert for equipment and workers moving in and out of the work zone

Culpeper County

Route 229 from Duke Street to Route 684 - Widening from two lanes to four lanes. Motorists should be alert for signs and traffic controls as they approach the work zone. Lane closures possible.

Fauquier County

Interstate 66 (milepost 27) bridge over Route 721 – Lane closures expected east and westbound. Motorists should expect signs advising of detour and the traffic pattern changes as they approach the work zone and be alert for equipment and workers moving in and out of the work zone.

Route 675 (Kelly Road) bridge over South Run – Closed for 8 weeks due to replacement of the bridge. Detour route is posted.

Louisa County

Route 33 from intersection of Route 15 to Route 22 – Paving during daylight hours. Motorists should be alert for signs and traffic controls as they approach the work zone. Brief delays are likely due to lane restrictions.

Route 208- Speed limit reduced at Moss Nuckols Elementary School to 35 miles per hour effective Dec 4.

Orange

Route 643 - Milling and paving during daylight hours. Traffic will be controlled by flaggers and pilot truck. Motorists should expect delays and be alert for signs and traffic controls as they approach the work zone.
